## GIVING OUT CLOTHES APRIL 2024

Some of the poor people in Lintha village were very lucky to be given children's clothes as well as some for adults.

In this very difficult time, so many people do not have enough food and therefore nearly everyone cannot afford to buy clothes.

Luckily a family from Switzerland brought a very large suitcase packed with clothes, and they and our students were able to give them all out.

# The Andrew Clark Trust

Volunteering to give out clothes to those in need brings many benefits to our students. Through this work, they can learn compassion and empathy by directly helping those who are struggling. They also gain a sense of purpose and fulfillment from making a positive impact in their community.

From the children to the adults everyone was so very thankful.

WE CANNOT THANK THE FAMILY ENOUGH
